I have read and understand that a withdrawal from all classes does require a \$55 withdrawal fee OR 1/2 of one full month's tuition if my dancer is enrolled in 3 or more hours per week. I understand that if I wish to re-enroll my dancer before the conclusion of the 2022-2023 term; I will be charged a registration fee regardless of having already paid a registration fee for the 2022-2023 term to cover admin expenses. I understand that any outstanding balance plus a withdrawal fee must be paid in full at the time of withdrawal. I understand that it is my responsibility to bring my account to a zero balance, including my withdrawal fee, to avoid further collections - i.e. collection agency, legal action.
