

BRUCE EMERSON

**CANDIDATE FOR ARKANSAS STATE
REPRESENTATIVE, DISTRICT 4**

“I WANT TO REPRESENT YOU AND YOUR CONSERVATIVE VALUES” – EMERSON

Republican Bruce Emerson declares his candidacy for Arkansas State Representative District 4.

“It’s time we elect a true conservative that will fight for our values-freedom and liberty, lower taxes, and limited government. We are not getting that now from our representation, and it is time for something different,” declared Emerson.

Emerson is a resident of rural Marion county, Arkansas. He is a small business owner and a farmer that raises turkeys for domestic production.

“Our state is at a crossroads-I’ve sat by and watched as our representatives have grown government, increased your taxes, and voted to restrict your liberties in the face of a so-called crisis,” continued Emerson. “We must do better. I want to represent you and your conservative values.”

Emerson is a staunch supporter of local veterans and their service to our state and country. He has led the efforts for several cities to receive the “Purple Heart Designation” to recognize all veterans who have sacrificed so much in the cause of liberty.
