

How You may Help.....

- ◇ **Housing**—Do you have a Parsonage, Rental Unit, House, etc. that you would consider using for Transformational Housing in Bedford County? Love INC is praying for homes in each of our School Districts so families with children could remain in their current school.
- ◇ **Mentoring**—Are you led by the Lord and willing to invest one on one in the transformation of lives? After Christ, mentoring is the most crucial part of this program.
- ◇ **Care Teams**—Would your Church be willing to oversee one of God's Harbor Homes, provide a Care Team to build a relationship with the residents and to assist the family in various areas of need? (Hospitality, Maintenance, Housekeeping, Inventory Management, etc.)
- ◇ **Financial Support**—Would you offer your financial support to maintain and support God's Harbor Homes for Transformational Housing in Bedford County?
- ◇ **Prayer Warrior** - Will you pray for mentors, discernment, finances, homes and all the above?

GOD'S HARBOR HOMES TRANSFORMATIONAL HOUSING

A Relational
Ministry
of
Love INC
of Bedford County

Transformational Housing guidelines have been developed in the spirit of bringing hope to the hopeless, with God's strength, always going forward in HIS Grace, by the transforming power of Christ Jesus.

The Calling

And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and behold, I am with you always, even to the end of the age." Amen.

– Matthew 28: 18-20

Our mission for Transformational Housing is to mobilize the Church to transform the lives of those who are God sent, homeless, beaten down by the world and ready for **the real life change** that Christ offers, and mentor them to fulfill the Great commission given by Him.

One congregation cannot meet all of the needs of the homeless in our county. The impact of Transformational Housing will be directly related to the Body of Christ and the church's willingness to enter into a collaborative partnership across congregational and denominational lines.

Through the faithful mentoring and loving fellowship of a church, the resident will be nurtured into a personal relationship with Jesus and the transformation that only He can bring to their lives. This is of paramount importance and the only way this program will be successful!

The end results are Eternal!

Recently a young man came into the Love INC Office with this story. He had recently been released from jail, and was temporarily staying at a motel, when his wife left him with two children, one of which he was not the biological father. As we listened to his story we felt he would be a great candidate for Transformational Housing.

The Vision

The Beginning

You may view progress on the Facebook Group, A “Sure House”

The Development

Suppose a brother or sister is without clothes and daily food. If one of you says to him, "Go, I wish you well; keep warm and well fed," but does nothing about his physical needs, what good is it? In the same way, faith by itself, if it is not accompanied by action is dead.

The Fulfillment....
Souls for the Kingdom

And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.
- Romans 12:2
