# of Play: Playing Twister With God

Play is a sacred act. When we are playing, the essence of all creation flows freely through us. We are expressing our true nature and connecting with the very core of our existence. Nothing is more spiritual than that.

## Online Sunday Gatherings Guided Meditation 10:45am Inspirational Service 11:00am Community Conversation 12:00pm

Connecting deeply with the Divine can feel like heavy work sometimes. Between meditation, prayer, contemplation and acting the part of a “serious spiritual person,” who has time to play? We can forget that Joy and Freedom are Divine qualities, too. Spirit is dancing around, in and through us all the time, calling us to celebrate it all – the serious and the silly. What if, at the end of the day, we are all just playing Twister with God?
