

**W. A. Pattillo High School National Alumni Association**  
**Message from the Archives Committee**

The Alumni's Archives Committee is charged with preserving the history of our school and alumni. We achieve this by collecting, recording, and preserving documents, pictures, etc. Currently, we are seeking others to join us in this endeavor by becoming a member of this Team.

In addition, if you are in the possession of report cards, certificates, or any other handwritten items, please share them with us. We will copy and/or scan the documents and return the originals to you so that you can continue to retain them in your possession.

Those interested in joining the committee and/or contributing items, please contact the Archives Chair.

Florence A. Armstrong, Ed.D.  
Archives Chair
