Informed Consent To Chiropractic Treatment: I hereby request and consent to the performance of chiropractic adjustments and any other chiropractic procedures, including examination tests and physical therapy techniques. In rare cases, underlying physical defects, deformities or pathologies may render me susceptible to injury. The doctor, of course, will not give any treatment or care if she is aware that such care may be contraindicated. I do not expect the doctor to be able to anticipate and explain all risks and complications. It is my responsibility to make it known, or to learn through healthcare procedures what I'm suffering from--latent pathological defects, illnesses or deformities which would otherwise not come to the attention of the doctor. Furthermore, I have had an opportunity to ask questions regarding chiropractic treatment, and by initialing I agree to the previously named procedures. I intend for this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment. Initials: \_\_\_\_\_

Informed Consent To Clinical Muscle Testing, Dietary Suggestions & Supplements: I have been given the opportunity to read the informational leaflet about clinical muscle testing and understand that it is not a method for "diagnosing" or "treating" of any disease including cancer, AIDS, infections, or other medical conditions, and that these are not being tested for or treated. I also understand that no guarantee has been made regarding the results of muscle testing, dietary suggestions or supplement recommendations, and I am not obligated to purchase supplements if they are recommended.
