

Dear Family and Friends,

Christmas 2011

This Christmas season we are rejoicing in Jesus and the tidings of peace and goodwill towards men that his birth continues to bring to the world. Whatever uncertainty the future holds, the Prince of Peace promises confidence, assurance, and victory through His love!

We rejoice in being able to partner with you in the country of Cameroon through the ministry of Tabernacle Evangelism. Many of the requests for tabernacles are being answered through your generous gifts to this ministry. Below is a letter of appreciation written by Pastor Augustine from the Kamkop Assembly in Bafoussam:

"We wish to thank you for the gift of the tabernacle that we received from you. In fact, it came at the time the Church of Jesus here was in a need of a building. Since the coming of this tabernacle, the church has experienced a good reputation for the glory of the Lord. The number and the quality of people coming to the Church have changed greatly. God is healing many people through my ministry and others are receiving forgiveness of their sins in this building as well. In short, we remain grateful to God and pray that He should keep on blessing you in Jesus' Name..."

It has been a year since we moved onto the mission property in Nkoulou on the outskirts of the capital city Yaoundé. Not only do we live here, but our truss factory for Tabernacle Evangelism is located on the same premises.

We are continually blessed by our association with the pastors and members of the Full Gospel Mission through ministry in the Bible School and in local churches.

Thank you so much for blessing us with your financial gifts and prayers this year. Our furlough starts JULY 2012. We look forward to seeing you again!

Merry Christmas,

David, Carol, Ryan, Melanie, and Nathan Schmidt
