Timeless Wisdom ...  
EVOLUTIONARY VISION

Journey of Becoming

DECEMBER

**Week of December 5, 2021  
(Mid-Hanukkah)**

The thing that is really hard, and really  
amazing,  
is giving up on being perfect and  
beginning to work on becoming yourself.

### This Week: **Surrender is Action**

Surrender is an active verb, and requires a conscious choice to move from control into relaxing into the Order of the Divine. We surrender, not into chaos, but into Order. Surrendering further, we let go of all sense of separation and enter into a state of conscious union (kingdom 4 consciousness/4th stage of spiritual development/as me) In the Hanukkah story, the oil lasted eight days after the Jewish people rebuilding their temple accepted that it would only last for one, but lit the lamp anyway. Rather than try to stretch the oil or otherwise impose their will, they let go into the reality of the situation, and miraculously found they had all they needed.
