President's Message

Hi Fellow Members,

Another good month for our club with the much improved weather welcomed by all members attending club events.

Our next meeting is our Annual General Meeting which is being held at the C.ex Woolgoolga This is the most important meeting on our calendar and we always like to make it a special day.

Members are encouraged to display their cars in the rear carpark of the club and a catered morning tea will be provided prior to the AGM. Also, if members wish, they may stay on for lunch in the club bistro.

We look forward to a strong attendance as we prepare for another year.

As our Secretary has explained in several recent emails to members, we must elect a President, Vice President, Secretary, Treasurer and up to four other Committee members for our car club to be allowed to continue as a Sub-Club under C.ex Coffs Rules for Operation.

It is therefore critical that we fill all these positions at the AGM.

Other Office Bearer positions which the Committee determines are required to run the club efficiently can be established and filled at the discretion of the Committee.

We are confident of filling most Committee positions, however we are aware the position of Secretary could be harder to fill, as a stand alone position, because there may be concerns of what the role involves.

Therefore, a lot of thought has been given as to how we can address such concerns, in order to generate more nominations and ensure the continuance of our car club.

We believe a workable solution is to divide the existing Secretary's position into three separate positions and also streamline the tasks within these positions in terms of time required and complexity.

With our outgoing Secretary remaining a club member until relocation in a few months time, we are assured of ongoing training and support being available to these three positions, if and when required.

If you are in a position to assist your club or simply wish to discuss the roles in more detail, please contact the President or Secretary as soon as possible.

Regards,

Ian

**C.ex Coffs Sports Touring & Classic Car Club
