ABOUT MICHELE

I am a disabled veteran, survivor of domestic violence, wife, mother, speaker, trainer, coach, Talk Show Host, published author, Pastor, and educator. As one who was constantly told to be quiet because she “talked too much” or who was told that no one would want to hear anything I had to say, I use those moments of rejection and pain to EMPOWER individuals and organizations to reach their full potential and purpose, TRANSFORMING them from a posture of complacency to being able to ENVISION their tomorrow TODAY! My compassion for those who are hurting or for those who desire to thrive beyond the failures of yesterday, is the foundation that affords me the opportunity to coach individuals from despair into purpose.

WHAT SHE DOES

As a speaker and trainer, Michele commands the stage to captivate her audience through animated storytelling, humor, wisdom, and authenticity. She understands that she is on the platform to impart and to transfer what the audience needs beyond the conclusion of the event. She injects herself into the moment and shifts the atmosphere prompting listeners to decide what is important to them, how they should respond, and if they want to enact change in their lives or in the businesses.
