

2023 Annual Conference Presenter:

AARON LIPSKI

Fire Chief Aaron Lipski has served the citizens of Milwaukee for over two decades. Previously functioning as the city-wide commander of firefighting and EMS operations for six and a half years, Lipski has commanded many large, complex, and multi-agency emergencies.

Lipski forged numerous collaborative multi-agency partnerships to unify and align the efforts of both public and private sector agencies in the pursuit of improved emergency planning and response. Project leadership roles include Milwaukee County High-Rise Response Guidelines chair, Milwaukee Streetcar Response SOG chair, Milwaukee Downtown Security Network Steering Committee member, and presently, member of multiple DNC planning committees.

Chief Lipski will be delivering the Keynote Presentation – **Instruction and Training to Repair, Maintain, Replace, or Strengthen**– as part of Instructor Development Track A on Saturday, February 18.

2023 Annual Conference Presenter:

MARC HILL

Marc Hill has spent over twenty years in public service. He has taught every grade from middle to college-level students. Marc has also served as an assistant coach, head coach, union president, principal, training officer, preceptor, and mentor. Marc has taught fire/rescue/EMS for the past twelve years at the community college level as well as having served as an EMS director. He has served as a volunteer firefighter and EMT before becoming a full-time Fire Chief and now serves the people of Wausau Wisconsin as a full-time firefighter and paramedic and as an adjunct instructor for Northcentral Technical College.

Marc will deliver two presentations for Instructor Development Track A -- **Winning Strategies for the Field Training Officer (FTO)** on Friday afternoon, February 17, and **Evaluating the Evaluator**, Saturday morning, February 18.

For more information about these and other programs offered at our Annual Instructors Conference, visit our **WSESI Conference Webpage:**
