BACK TO SCHOOL

Thank You

We are so grateful to all of our donors that contributed to our 2021 Back to School fundraiser! With your support, we were able to prepare 100 students to take on the new school year with backpacks full of supplies!

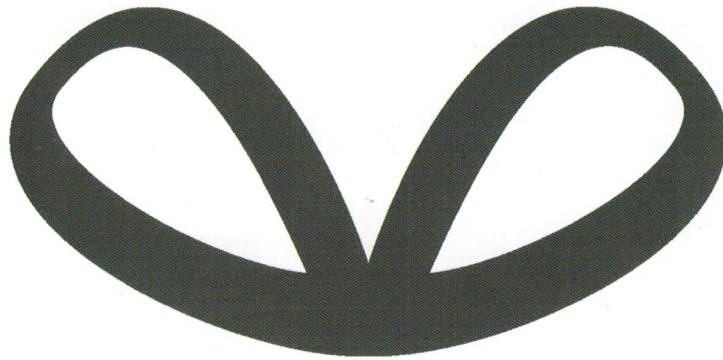

We all know kids face many pressures when they go to school, they shouldn't have to deal with the added stress and anxiety of feeling unprepared. Your donation not only sent them to school with the needed materials, but with confidence! Alleviating some of that school-year pressure allows them to focus on their school work and just be a kid! Elementary, Middle and High School students in Belle Glade, Lake Worth and West Palm Beach have benefited from your gift! There is nothing more rewarding than seeing their faces light up with excitement as they got to choose their favorite bag from the sea of options we were able to provide!

We look forward to your continued support as we kick off our next fundraiser, Holiday Care Packages!

HOLIDAY CARE PACKAGES

The holiday season is all about giving! Help us give the basic essentials to those in need this season! We'll be collecting personal care items for adults and children to distribute to families in need of a helping hand. We will be collecting donations now through December 13th!
