Our Story

Originating as Royal Patio Manufacturing, President and owner David Peace re-strapped furniture for hotels and condominiums on the west coast of Florida. In 1991, he was able to move the business from his backyard to a 12' x 24' storage unit located in Bradenton, FL, where his manufacturing equipment grew to include a diacro hand bender, a chop saw, a drill press, and a welder. David was still the company's only employee.

As the business and reputation progressed, David began manufacturing raw frames and component parts for other manufacturers and refinishers throughout Florida. Five years later, and a few factory moves across town, Peace purchased a small powder coating system and he began selling powder coated frames. The company's payroll increased to include about twenty employees and the business expanded to manufacturing complete strap furniture, earning the company a strong reputation for providing quality commercial grade furniture.

In 1997, The Windward Design Group® was born as a sister company to Royal Patio. That first year, Windward® developed the first sling style dining chair and began selling them to retailers across Florida. The factory soon

grew to include a sewing room, allowing the expansion of the furniture line to include cushion-style seating.

By 2002, Windward® was manufacturing eighteen different collections of furniture, including deep seating, cushion dining, sling and strap styles. In 2006, the line increased to include padded sling. A couple of years later, Windward® launched the Replacement Cushion Division. Now the Windward product offering includes two wicker collections and six marine grade polymer collections.

Today, Windward Design Group® operates in Sarasota, FL, where they produce over thirty-five collections, a full line of replacement cushions and employ over one hundred and thirty people. David Peace is still the President and two of his five children work by his side. Although many things have changed the business culture has remained the same. We take pride in manufacturing quality, stylish products and offering them at competitive

Attention to Detail

Marine Grade Polymer Products

In 2012 Windward proudly introduced marine grade polymer (MGP) into its product lineup. Since then it has expanded by adding new collections each year, including the all-new Covina and Sienna this year. MGP is a domestically made material that was originally designed to hold up in salt water environments on boats without fading or breaking down and eventually made the natural transition into outdoor furnishings.

- Made from prime High Density Polyethylene (HDPE)
- Will not warp, fade or chemically breakdown even in harsh salt water or chlorinated environments
- Material has specially formulated UV inhibitors
- Easy to clean! MGP is a non-porous material that will not absorb dirt, chemicals or liquids (including red wine)
- Substantial weight makes it great for windy environments
- Marine grade stainless steel hardware
- Significantly stronger, more scratch resistant and durable than furniture from 100% recycled material

Woven Products

Windward wicker collections are made from high quality synthetic wicker weave and extruded aluminum frames. This extruded resin is made with mildew deterrents, UV inhibitors to protect against sun damage and is water resistant. Each collection has it's own unique multi-toned, textured, natural look. Wicker frames are imported, all cushions (except for Iris) are made to order at our factory in Sarasota, FL.

Extruded Aluminum Products

Windward uses the highest quality materials available for outdoor furniture manufacturing. All of our aluminum furniture is manufactured with commercial-grade, domestically milled, extruded aluminum. Many of Windward's extrusions are proprietary and have internal reinforcing ribs to provide the additional strength expected when purchasing quality, domestically manufactured furniture.

To ensure lasting color and quality, our frames are sandblasted to create an ideal bonding surface. This preparation ensures your powder coat frame finish will not peel or chip. It is also an

environmentally friendly alternative to other frame preparations used by other manufacturers.

Cut Yardage Programs

In addition to our extensive collection of high quality fabrics we are proud to also offer the Sunbrella^o, Bella Dura^o and Outdura cut yardage programs. Details on how to order and prices are available in the Windward binder. Contact your sales rep or customer service for details.

Waterproof Fabrics

Windward offers Sunbrella Rain waterproof performance fabrics in over twenty-five fabrics and the Outdura Crypton fabrics, which are available for quantity orders. Details on the available fabrics, pricing and how to order are available in the Windward binder - or contact your sales rep or customer service for details.

Padded Slings

Padded slings combine the low maintenance of a sling with the comfort of a cushion. It is an affordable alternative to cushion furniture, while not relinquishing the many cushion fabric design options. Padded slings use a sling fabric on the back, which makes up the support of the chair and a cushion fabric (or sling) on the front. Nonabsorbent polyester is used in between the two as the padding. Polyester is mold & mildew resistant and also allows water to drain right through, giving your padded sling a quick drying time.

Commercial

Having built its roots in the commercial industry, Windward knows what it takes to build a product capable of seeing high traffic. If you are working on a commercial project, inquire today about our contract catalog.

Crypton° is a registered trademark of Hi-Tex Inc. Bella Dura[®] is a registered trademark of Wearbest Sil-Tex Mills, Ltd Outdura® is a registered trademark of Sattler Corp.

HOW TO ORDER AN UMBRELLA OR CANTILEVER:

1) Pick Your Umbrella Frame

Item #:

Name

Example: 9' Oasis item # is #WCAN-9CR-SQ

2) Pick the pole color and use the color code

(note: if the umbrella only comes in one color, skip this step) Example: Bronze is BZ

3) Pick the fabric and use the fabric code

Example: Pacific Blue is PBA, fabric options shown on page 88

3) Put it all together:

Item # = Frame Model # + Fabric Code (Example: #WCAN-9CR-SQ-PBA would be the 9' Oasis Cantilever with Pacific Blue fabric)

4) Choose your installation or base type:

View the installation options above for Santorini, Oasis and Haven. Choose an umbrella base from page 88. Note that certain bases are designed for use under tables and some are designed to be freestanding. Umbrellas used with our bar or balcony tables require an extension pole. Contact customer service for details.

Universal Umbrella Bases

Universal umbrella bases are suitable for Atlantis, Bali, Cayman, Eclipse, Fiji, Maui and Tahiti umbrellas. They are NOT suitable for cantilevers or the Santorini giant umbrella.

#WUB-50 Aluminum Base Color: Anodized aluminum or any frame finish. (Must be filled with sand to reach appropriate weight) 19" x 6.5"

#WUB-PP-67 67 lbs Freestanding Concrete Base (off-white only) 20" x 16" (not meant for under tables)

#WUB-PP67S 67 lbs Concrete Base (off-white only) 20" x 12" (shorter pole for under tables)

#WUB-DP 5 lbs Deck Plate Color: Anodized aluminum or any frame finish. 12" x 12"

75 lb. freestanding aluminum base with wheels Color: Silver mist powder coated 24" x 17"

#WU-50C-WH 50 lbs Concrete Filled Base Color: White 16" x 8"

50 lbs Concrete Filled Base Color: Black 16" x 8"

Residential Warranty

Windward Design Group' offers the following consumer warranty to the original purchaser with proof of purchase. The consumer warranty is not valid for product used in a commercial application. The warranty is valid from the date of purchase to the original purchaser only. Proof of purchase (original sales receipt with purchase date) is required and photos may also be required to file a claim.

FRAMES

Windward Design Group® warrants all extruded aluminum frames against defects in material and workmanship for fifteen (15) years from original date of purchase. If your frame fails structurally during normal use, Windward Design Group® will repair or replace (at the manufacturer's discretion) the frame with the same product and frame, at no cost. If the product or frame finish has been discontinued, a similar item will be used. This includes labor during the first twelve (12) months. Note: Glide replacement is a necessary function in maintaining the furniture and should be inspected on an annual basis, or more frequently, depending on the level of usage. Replacement glides are available for purchase from Windward.

CAST ALUMINUM FURNITURE

Cast aluminum frames are warranted against manufacturer defects in material and workmanship for three (3) years from original date of purchase

WICKER FURNITURE

Wicker frames are warranted for five (5) years against manufacturer defects in materials and workmanship. The resin wicker is warranted for three (3) years against discoloration and breakage. Glass table tops that come standard with wicker tables are not covered in this warranty.

MARINE GRADE POLYMER

All marine grade polymer furniture frames and tabletops are warranted for fifteen (15) years against material defects, discoloration or cracking and are warranted for five (5) years against workmanship and structural failure.

Windward Design Group® warrants vinyl straps against breakage and rivet failure for three (3) years. Not covered is damage resulting from suntan lotions, bleach, solvents, strong chemicals, or the natural fading and normal wear and tear.

POWDER COATED FRAME FINISHES

The powder coated frame finishes on all Windward furniture frames and table bases are warranted against cracking, peeling, or blistering for fifteen (15) years, with the exception of Versailles cast aluminum deep seating, dining & tables. The Versailles collection is warranted against cracking, peeling, or blistering for a period of three (3) years. Not covered is damage caused by the use of pressure washers, abrasive cleaners, bleach or other harmful chemicals. Natural fading and wear and tear from normal usage is expected and is not covered in this warranty. Minor variations in color and texture of finishes is not covered under this warranty.

SLINGS, PADDED SLINGS, CUSHIONS, UMBRELLAS AND PILLOWS

Slings, padded slings, cushions, umbrellas and pillows are warranted for one (1) year from date of original purchase against manufacturing defects. This includes the fabric/sewing integrity and cushion/pad fill. Fading and or stretching resulting from normal usage are not covered by this warranty. Umbrella frames are warranted for one (1) year against manufacturing defects. Umbrella cord breakage on crank umbrellas is not covered.

TABLE TOPS

Punched aluminum, marine grade polymer, and acrylic table tops are warranted for one (1) year against warping and manufacturing defects. (Full marine grade polymer table top warranty can be found in Marine Grade Polymer section of this warranty.) Cast table tops and cast table base skirts are warranted for three (3) years against manufacturing defects. (See Powder Coated Frame Finishes section for cast and punched aluminum finish warranty.)

WHAT IS NOT COVERED:

- Breakage, chipping, scratching of Punched Aluminum, Fiberglass, Glass, Acrylic and Faux Stone table tops. (Faux Stone table tops are hand finished and no two tops are alike. Differences in color saturation and shade are expected.)
- Failure caused by fire, freight damage or acts of nature (such as, not limited to, freezing, high winds or animal defecation)
- Commercial usage (i.e.: use in a rental unit, or public location)
- Damage caused by suntan oil, bleach or any other abrasive cleaners or chemicals. See care & maintenance for appropriate cleaning.
- Unreasonable or abusive usage, see Care & Maintenance on how to properly maintain furniture.
- Scratched or chipped paint due to abuse (touch-up paint is available)
- Minor variations in color and texture of frame finishes
- Normal wear and tear
- Mildew or fading of fabric, frame finish or vinyl straps
- Repairs made by any party other than authorized Windward personnel.
- Furniture glides and end caps. Glide replacement is a necessary function in maintaining furniture. Replacement glides are available for purchase.
- Umbrella bases
- Moving components (i.e.: fiberglass spring plates and glider arms)
- Any shipping costs & labor regarding warranty claims after one (1) year.

Commercial Warranty

Windward Design Group' offers the following commercial warranty to the original purchaser with proof of purchase. Photos may be required to file a claim. This commercial warranty does not apply to beach rentals.

FRAMES

Windward Design Group' warrants all aluminum frames against defects in material and workmanship for five (5) years from original date of purchase. If your frame fails structurally during normal use, Windward will repair or replace (at the manufacturer's discretion) the frame with the same product at no charge. If the product or frame finish has been discontinued, a similar item will be used. This includes labor during the first twelve (12) months. Note: Glide replacement is a necessary function in maintaining the furniture and should be inspected on an annual basis, or more frequently, depending on the level of usage. Replacement glides are available for purchase from Windward. Note that many of our sling dining chairs require additional bracing (i.e. bolt thru) to be warranted for commercial use. Please refer to the Windward Contract catalog and price list for more information on which collections this applies to.

CAST ALUMINUM FURNITURE

Cast aluminum frames are warranted against manufacturer defects in material and workmanship for one (1) year from original date of purchase

WICKER FURNITURE

Wicker frames are warranted for three (3) years against manufacturer defects in materials and workmanship. The resin wicker is warranted for one (1) year against discoloration and breakage. Glass table tops that come standard with wicker tables are not covered in this warranty.

MARINE GRADE POLYMER

All marine grade polymer furniture frames and tabletops are warranted for five (5) years against material defects, discoloration or cracking and are warranted for one (1) year against workmanship and structural failure.

VINYL STRAPS

Windward Design Group' warrants vinyl straps against breakage and rivet failure for three (3) years. Not covered is damage resulting from suntan lotions, bleach, solvents, strong chemicals, or the natural fading and normal wear and tear.

POWDER COATED FRAME FINISHES

The powder coated frame finishes on all Windward furniture frames and table bases are warranted against cracking, peeling, or blistering for five (5) years, with the exception of Versailles cast aluminum deep seating, dining & tables.
