

magnetic mè™
spring 22 collections

Dear Retailers,

Our COVID year was filled with personal and professional challenges never experienced before in any of our lives. While we remained apart, our mission was all the more clear – we are better together. During the pandemic we launched our Retailers group on Facebook to share information to support you (come join us, info below). As of Spring 2021, we went entirely green in our fabrics and our packaging because if the pandemic taught us one thing, it's that we are one world and we all need to do our part to keep it healthy. We also launched new products that both help more people and also feel great on, because making people's lives better is what we live to do.

By design, our Spring 2022 collection is happy and full of color to reflect our hope and optimism for a continued global recovery. From beautiful florals to our signature whimsical, winky prints, the future, like a brand new baby, is bright and full of promise!

We can't wait to connect again and hope to see your face IRL (in real life) at a show this year!

Xoxo,
Lauren, Lawrence
and the Magnetic Me Family

our sustainability promise

we believe making good decisions for your baby means making good decisions for your planet. that's why we're making an effort to ensure that we are as low impact as possible, from start to finish. becoming sustainable is an ongoing goal for magnetic me and we will always strive to improve our product and process.

organic cotton

we use 100% GOTS certified, organic cotton that's gentle on baby's skin & the earth. organic cotton is grown & farmed without harmful chemicals & leaves a smaller carbon footprint, so you can feel good about your purchase.

modal

we use tencel modal, a silky-soft, eco-friendly fabric made from sustainably grown beech wood trees, so you can find comfort in its sources, and the way it feels

packaging

to reduce our impact on the earth, we use hangtags made from recycled paper, 100% bio-degradable polybags, and mailers that are reusable (compostable coming soon!)
