

## President Message

Hi! Your Presidenté is on an extended trip to the Holy Land.

A place where the sun shines every day. The people are amazing. The food is outstanding. The hiking trails are world-class. The cod tongues are pan fried. And COVID is relatively limited.

A mighty group of ladies attended the September Luncheon, and it looks like it will become a monthly affair.

Francis continues to work hard planning events. The upcoming schedule for October is certainly busy. We hope the pandemic settles down and doesn't dampen the outlook.

Stay safe, everyone. Convince someone to get vaxxed!

Jim Quigley

Frank Wilson wishes to thank the President and Club Members for the flowers and the kind notes, after the recent passing of his wife, Carol.

## Brewbakers Harvest Dinner/Wine Pairing

Eleven members took advantage of Brewbakers fine offer to our Club, to come and sample new menu items. Several also added in the bonus wine pairing. I was told that it was a wonderful evening, and the food was amazing. Brewbakers even designed a menu specifically for our Club, see photo below.

We look forward to doing more special things at Brewbakers in the near future.

## Ladies Luncheon

It was a beautiful late summer day for eating and sipping on the outside patio at Wolastoq Wharf. The food has always been top notch at the Wolastoq Wharf, and again I'm sure no one was disappointed. Since the Ladies Luncheons seem to be a hit, we will continue with them into the fall.

### October Events and Beyond

October 9 - **Ladies Lunch** @ 12:30pm at TBA

October 16 – **Fall Colours and the New Fundy Trail**, including a stop for lunch, if the numbers are good, at the Beach Street Inn in St. Martins. They will do lunch just for us. (rain day is 15<sup>th</sup>)

October 22 - **Rossmount Inn** for those on the list.

## Message from the Club Manager

With the daylight hours getting shorter and the temperature getting cooler, nature is naturally giving up the fight. As things start to turn colours and drop, we already begin to look forward to the cozy fires and hopefully, Club gatherings. Although the COVID-19 numbers are beginning to rise, we hope what we are doing now pays off and in a month's time we can begin to venture out again. I guess we must do our part and soon make some decisions on upcoming Club events as they draw near.

Upcoming for October: Since the first two were such a success; October 9 @ 12:30 pm, **Ladies Luncheon location TBA.**

October 16, a trip to the newly completed **Fundy Trail and fall colours tour.** More information to follow.

Keeping with our yearly tradition, **Rossmount Inn for October 22.** 27 of our Club members and guests will be partaking in this wonderful evening and night. There have been a few cancellations, so if you wished to go, it may be possible. However, you must act fast! October 23 was to be Oakland Lodge but with our current COVID situation, we will cancel it. **Fingers crossed for the Rossmount!**
