This year the Sertoma Club of Nashville is excited to announce we will have a Texas Hold 'em Poker fund raising tournament before our annual Casino Night. What you can expect is a fun, professionally run poker tournament. Food and drink will be provided, as well as 'bust out lounge' for those that want to watch a little college football after your card playing has ended. There will be a show piece of a trophy for the winner as well as other prizes for final table participants (no cash prizes). In addition, all participants will go home with parting gifts and an excellent experience.
