"Comparing yourself to others is really just a needless distraction. The only one you should compare yourself to is you. Your mission is to become better today than you were yesterday. You do that by focusing on what you can do today to improve and grow."

John C. Maxwell

DIANA JAWORSKI

Life can get chaotic and at times we may lose our focus of our goals, aspirations and dreams. Direction, encouragement, and motivation is just what is needed to get back on track and focus on what's important to you. F.O.C.U.S. Coaching does exactly that. By assessing where you are at and where you want to go, the coaching sessions will assist in bringing balance and focus to your life. These sessions will also help you:

- F – Find your purpose and learn to live it!
- O – Overcome obstacles
- C – Continue growing towards your God-given potential
- U – Undo doubts and negative self-talk
- S – Serve others through your gifts and talents.

As your Certified Success Coach, I will come along side you to assist you in realizing your potential. For over 15 years it has been my passion to help others focus for success through coaching, keynote speaking, seminars, workshops and trainings.

If you are ready to focus, I encourage you to contact me and together we will begin your growth journey! My F.O.C.U.S. 8-weeks coaching package include weekly 45-minute phone sessions filled with support and encouragement and the **FIRST session is FREE!**
