## *Getting in Position*

Praise the Lord, Brothers and Sisters!

I just want to take this opportunity to tell you that I thank God for you. Thank you so much for being a Partner or Friend of God's Love Song Ministries. Your prayers and financial support mean so much. Through your generosity and sensitivity to the Lord, you help us to spread the Word and the love of the Lord like we do.

Our agenda at God's Love Song Ministries for the year has been to **RECEIVE ON THE SAME LEVEL THAT GOD DESIRES TO BLESS**. We have been receiving God's instruction, correction, and direction where receiving from Him is concerned. He has ministered to us so lovingly that He has pleasure in our prosperity – spirit soul and body – and that it is His good pleasure to give us the Kingdom (see Ps. 35:27 and Luke 12:32). He has also ministered to us that He wants it to be **OUR** good pleasure to walk in prosperity – spirit, soul, and body – and to receive from Him. Not just receive from Him, but receive **ON THE SAME LEVEL** that He desires to bless.

Sometimes we receive from God but are content with receiving from Him on a far lower level than He ever intended. God brought this to my attention when He was speaking to me about my tithing. I am a faithful tither. Many of us are familiar with Malachi 3:10, which says, “Bring ye all the tithes into the storehouse, that there may be meat in Mine house, and prove Me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a Blessing, **that there shall not be room enough to receive it,**” (emphasis mine). I looked at my life. It didn't take my lightning quick mind long to see that *I have PLENTY of room to receive, Lord. I'm blessed, but I could use more blessing in this area, and this area, and that area...*

**OBVIOUSLY**, I was not receiving on the same level that God wanted to bless me. He is faithful to His Word. If He said that He pours out a Blessing to the tither such that there shall not be room enough to receive it, and I am a tither – **WHY**, then, is there still plenty of room for me to receive? The problem is not with His blessing me. The problem is with my receiving. What about you? How is your receiving?

Maybe you're not into the tithing scene. No matter. That's not what this letter is about. But what about giving? Second Corinthians 9:6 says, “He which soweth bountifully shall reap also bountifully.” Are you receiving bountifully? Or are you receiving just enough to get by? Again. The problem is not with God's blessing us. If there is a problem, it is with our receiving.

I can't leave this one out. What about the Holy Spirit? As born again believers, we have Holy Spirit living on the inside of us. Jesus said we would receive power to be His witnesses – to live sanctified, victorious lives anywhere, around anyone, and in any situation – when the Holy Spirit comes upon us (Acts 1:8). Are you walking in that power? Or are you experiencing defeat and falling prey to circumstances? Jesus said that the Holy Spirit is our Comforter, Who would teach us all things (John 14:26), guide us into all truth, show us things to come (John 16:13), and

remind us of everything that He has said (John 14:26). Are you experiencing this revelatory power of the Holy Spirit, or are you walking around in darkness – not knowing what's going to happen or how to handle situations? The problem is not with God's blessing us with the Holy Spirit. If there is a problem, it is with our receiving.

God doesn't just want us to receive from Him. He wants us to receive *on the same level He desires to bless us*. I began teaching this revelation in my discipleship classes and ministering it to you, the partners and friends of God's Love Song Ministries. Through the teachings, God took us through the renewing of our minds so that we would desire to receive on the same level He desires to bless. Then He took us from *desiring* to receive on the same level that He desires to bless to actually *receiving* on the same level He desires to bless. Then He took us to a whole other level:

**We receive on the same level He desires to bless, that we may LIVE on the same level He desires to bless.** Wow! God wants us to receive His fulness on a continual basis so we can live perpetually in the fulness of His Blessing. Oh, how He loves us!

Regardless of the craziness that is going on in this world. Regardless of what the government does. Regardless of what the economy does. Regardless of the status of the supply chain. Regardless of the job market. Regardless of the weather patterns. Regardless of ANYTHING that is going on in this natural realm – the BLESSING of the Lord empowers us to prosper in EVERY situation.

So, do you see why it's important to get in position to receive from God?

One very important thing we must do to get in position to receive from God is DIE TO SELF. This requires us to actively deny ourselves and crucify our flesh. This is not something where we can say, "Lord, take it from me," and remain passive, expecting Him to do all the work. While it *is* God who works it in us both to will and to do of His good pleasure, it is *us* who must work out (i.e., walk out) our salvation with fear and trembling (Phil. 2:12-13). Meditate the following scriptures: Prov. 23:2; Matt. 5:29-30.

Part of dying to self is letting go of what you think you already know. Choose the Lord. Let Him be your Compass. Be willing to receive His instruction, correction, and wisdom. Trust that He knows best and follow His lead. Proverbs 3:5-7 puts it this way:

<sup>5</sup>Trust in the Lord with all thine heart; and lean not unto thine own understanding. <sup>6</sup>In all thy ways acknowledge Him, and He shall direct thy paths. <sup>7</sup>Be not wise in thine own eyes: fear the Lord...

I'm not telling you to do anything I have not done. And I am not exhorting you to a walk that I am not already on myself. When God began ministering to me about dying to self, He blessed me to write a prayer that I pray over myself and over you, the Partners of God's Love Song Ministries, often. I would like to share it with you now. I encourage you to pray it over yourself and to meditate the scriptures embedded within it. If you pray it with a willing heart, it won't be long before you are experiencing a change. But it will take your active, "Yes, Lord."

Prayer:

*Living on the Same Level God Desires to Bless*

How precious is Your steadfast love, O God!  
We take refuge and put our trust under the shadow of Your wings.

We relish and feast on the abundance of Your house;  
and You cause us to drink of the rivers of Your pleasures.

For with You is the fountain of life.  
In Your light do we see light.

*You alone* are our prize, our pleasure, and our portion.  
You are our Choice, our Number 1 Choice... *our ONLY Choice.*  
**BY CHOICE!**

O continue Your loving-kindness to us who know You;  
The manifestation of Your righteousness (salvation) to the upright in heart.

Help us, Father, to yield our appetites to You.  
May we receive the grace to pluck out and cast away that which causes us to stumble.

We dethrone every god that we have set above You and bring them  
Under subjection to the lordship of Jesus Christ.

I declare today that our bellies are no longer our gods!  
**JESUS IS LORD!**

We crucify the flesh with its passions, appetites, and desires, Father.  
We live by the Spirit. We walk by the Spirit.  
In Jesus' Name.

Thank You for your grace.  
We believe we receive, and  
*We LIVE on the same level You desire to bless.*

In Jesus' Name.

Amen.

**THANK YOU** for your support of God's Love Song Ministries. **I AM EXCITED** to share with you our progress with our *Lights in Kenya project*. With your generosity, we have been able to purchase all of the necessary materials to supply light to the community of High Life in Njiru, Nairobi, Kenya. Our God does exceeding, abundantly above all we can ask or think! **We are now set up and ready to launch our Cyber & Light Café, where we provide light, power, and Internet services to the local community.** Hallelujah! Join your faith with ours as we seek God on how to move forward with providing employment opportunities.

**We've completed Phase 1, which was setting up to provide services to the community. Now we are moving on to Phase 2:** Decorating our space and purchasing a smart TV so we can play ministry teachings in the Café - exposing our patrons to the Word of God in the spirit of faith, winning souls to the Kingdom, and inviting opportunities for discipleship.

**If you would like to support us in this project, you may sow through the outlets below.** I thank you for your seed, and I agree with you on the Word of God for what you are believing God for. I speak that you receive an abundant harvest on your seed, and I declare that what you have made happen for others, God will make happen for you, in Jesus' Name. I feel a special anointing for the salvation of loved ones. As you make the Word available to others through our *Cyber & Light Café*, God will make the Word available to your loved ones no matter where they are. Just as you are furnishing the Word to someone else's loved ones, someone else will furnish the Word to your loved ones. Receive that, in Jesus' Name.
