The Dog Hut.Biz fees are based on regular grooming where dogs are groomed 6 – 8 weeks and where their coat is good condition. Anything more than 15 mins of knot removal is chargeable at an extra £25.50 per hour as the groom will take much longer. Alternative grooms are happily discussed for the most appropriate care of your dog.

The Dog Hut.Biz Ltd. Errors and Omissions Excepted

The De Matting process will not be rushed to make sure we maintain the **welfare of the dog** and the process will be discussed with the owner.

Hand stripping will only be carried out where there is dead coat, **no hand stripping of live coat** is considered acceptable.

### **The Dog Hut.Biz Grooming Fees Include as Standard:**

A 7 Point health check with feedback to client, after their dog's groom.  
Ear Cleaning (As Required) No ear plucking.

### **De- shedding Treatment carried out on appropriate breed.**

De Shedding is a three – stage process and helps prevent shedding in your home for up to 4 weeks. It also improves coat and skin condition. See our website for additional information.

### **New Clients**

New clients are welcome and will be requested to complete a dog grooming registration on arrival, to ensure we have all your dog's details and that you are aware of, understand and are willing to comply with The Dog Hut.Biz Terms and Conditions.

A copy is available on our website. Your registration may be completed during your consultation, and you need to allow time during your drop off for this and time during collection for feedback after your dog's groom.

### **All Clients**

Please allow time for a short consultation on drop off to discuss your requirements with your Dog Groomer. We are happy to groom your dog to either show or breed standard and to your individual requirements.

We specialise in large breeds and companion animals.

### **Animal Welfare**

We operate within a strict Animal Welfare Policy, and this is always our priority.
