

MRS. HABERICHTER'S HAPPENINGS!

October 2, 2015

The News!!!

Today the students took a **spelling**, and **comprehension** test.

We have begun recording our scores in our *Data Binders* this week. ☺ Please Look for them to come home on Wednesdays.

- The newsletters and spelling word lists are also available on our website. www.mrshabs.com

Teacher's Tid-bit!

Peanut Allergy Alert!

We do have a severe peanut allergy this year in our room so please avoid bring in anything that contains peanuts or tree nuts into the classroom.

Testing Reminder!

Coming into second grade from first grade is a HUGE adjustment. There is a lot asked of your child academically. If your child is not performing as high as you would like on their tests, please understand that this is all new to them and it's not uncommon for them to take a few weeks to get into the swing of what is expected. Students are required to read most of their tests to themselves and for some this is a new thing. If your child still continues to struggle after the first month of testing, then we should set up a time to meet and discuss this. Please remind your child to slow down, read everything through, and take their time when testing and doing their work.
