Tagg asked to have this Zoom Conference call to address a few issues that came up at State Finals.

Adult behavior after hours: There were some problems that arose during/after the casino night held at State Finals that was put on by the Adams Co. Ag Society. Drinking and fighting by parents of Nebraska High School Rodeo members was an issue. Their children of these parents could be at risk of being disqualified from the rodeo for this behavior. This seems to be an ongoing issue. Everyone on the board was in agreeance that this needs to be addressed at the mandatory parent/member meeting at the start of the new season.

Discrepancy of Votes for Board President: Tagg was approached the next day after the Board of Directors meeting at State Finals on who was voted as President. If anyone has any questions with anything, they need to ask right away at the meeting. We have nothing to hide, please ask any and all questions that you might have. We as a board need to come together for the kids. It takes all of us to make this association go round!

Adult Directors position at rodeos: Adult Event Directors are not there to run the rodeo. The rodeo committee is there to make sure the rodeo runs efficiently. The Student Event Director is responsible in the arena if an issue arises. The judge and the Student Event Director need to address the problems in the arena. The Adult Event Director needs to guide the New Student Directors.

Tagg also wanted to address the issue that was brought up about the conflict of interest between Tagg being President of the Board and Jayme being the Central Entry Secretary. Just to clarify, Tagg is not Jayme's boss, the whole board oversees both Secretaries: the Membership/Association and the Points Secretary. The Central Entry is a bid process. Tagg stressed that he wants to know straight up if anyone has any issues with anything as soon as possible. This association is for the kids, all kids, not just our own kids!
