Good Faith Estimate for Psychotherapy Services (Page 2 of 2)

Client Name:

Client Date of Birth:

Psychotherapy sessions may include: information-gathering in order to make, support, or change a diagnosis, identifying goals to work on, clinician providing feedback and suggestions to change thoughts and behaviors to be more aligned with goals. Services may be provided in person or via telehealth platforms.

The clinician will maintain notes for each session and payment is expected at the time of service. If there are financial concerns, please bring them to the clinician's attention and we can discuss a reduced rate and a new Good Faith Estimate will be provided.

*There may be additional items or services that are recommended as part of the treatment that will be scheduled separately and are not reflected in the good faith estimate.

*The information provided in the good faith estimate is only an estimate and that actual items, services, or charges may differ from the good faith estimate.

*The good faith estimate does not require the private pay client to obtain psychotherapy or other services from Maya Quinn, MSW, LCSW/Brighter Future Therapy LLC.
