SPECIALTY EDITION 2011

The Dalmatian Club of Southern New England's Specialty weekend dawned warm and sunny---a welcome change from many previous years when the weather was less than cooperative, The entries were not as big as some of the other years but we still had 4 days of 4 point majors to look forward to. On Saturday Kelly Rose showed Shannon (SHAMROCK'S SHIPPIN UP TO BOSTON RN) and Jody Fraser showed Nicki (DAKOTA FYREAGELE COSMOPOLITAN CD TD RN VCD1) with Jody and Nicki not only qualifying they placed first.

Open B;

Friday and Saturday Nanci Hayes showed Blizzard (CH YANKEE'S SE-

BAGO NOR'EASTER CDX RAE)as well as Nanci Hayes showed Dancer (YANKEE'S SEBAGO SUMMERBREEZE CDX RAE) of which Blizzard decided he was going to do a bow to the audience instead of his down and Dancer decided to just sit pretty when called on the drop on recall resulting in NQ.

Utility A;

The premiere performance for our specialty!!! Friday and Saturday Nanci Hayes made her first attempt ever in the utility ring by showing Blizzard (CH YANKEE'S SEBAGO NOR'EASTER CDX

RAE) as well as her Dancer (YANKEE'S

SEBAGO SUMMERBREEZE CDX RAE) . I swear they talk to one another and tell each other what to do. One of them blew the down signal whereas the other blew the sit signal. On the go out Dancer did the first go out but blew the second one whereas Blizzard blew the first go out and did an awesome go out and jump on the second one. Go figure.....but the Dals were definitely out in the obedience and rally rings having fun.

LAST BUT NOT LEAST A HUGE CONGRATULATIONS TO JODY FRASER AND NICKI FOR HIGH SCORING DALMATIAN BOTH DAYS IN OBEDIENCE
