Making the plan work for you

Take full advantage of what makes Medicare MSA plans so special. Use these guidelines to help extract the most value from your Lasso Healthcare MSA plan.

Have a plan to cover the difference between the deposit and deductible

Spend time planning how you'll cover the Member Responsibility amount *now* to minimize surprises *later*.

Have a plan to manage your health

It's expensive to be unhealthy! Work with your care team to establish an individualized care plan and focus your efforts on preventive medicine.

Avoid using MSA funds on non-qualified expenses

Unless you've accounted for the extra tax and penalty implications, aim for not spending the funds on any non-qualified expenses.

Consider investing excess balance

If your Optum Bank MSA account balance is over \$2,000, consider speaking with your financial advisor about investing the excess balance in other investment vehicles.

Be a savvy health shopper

For expenses not covered by Medicare, inquire about alternate care and pricing options before incurring a service. Ask other providers their cost for the same service to find lower pricing.

Using your MSA plan

1. Show your Plan Member ID card

Show your Lasso Healthcare MSA Member ID card at your provider's office and tell them to file the claim with Lasso Healthcare (filing info on card back).

It's important the provider files a claim with us even if you have not yet met your plan deductible so we can 1) ensure the service is within the Medicare-approved amount and 2) help track your progress to your deductible.

Do not show your Medicare card.

Make tax time easier! Keep receipts and any paperwork related to your medical expenses and MSA funds usage.

2. Copays typically not due at service

Our plan does not require a copay or other payment at time of service. Medicare does permit its providers to request a copay at time of service in some instances, even if not required by the plan.

3. Receive an EOB from us

Lasso Healthcare processes the provider's claim and determines your coverage. We mail you a monthly Explanation of Benefits (EOB) showing the coverage decision, progress toward the deductible and any amount you need to pay the provider.

4. Receive invoice from provider

The provider sends you a bill for your portion of the claim. It is good practice to compare the provider's bill with your EOB to match the billed amount to your determined liability.

5. Pay the provider

You can use funds in your MSA bank account to pay any amount due, via your Optum Bank debit card, pay out-of-pocket or use a combination of both.

If you no longer have funds in your MSA account, you will need to pay out-of-pocket. Once you reach the deductible, we pay 100% of any additional Medicare-covered expenses.

Providers opting-out of Medicare are not bound to Medicare reimbursement policies; they may charge you more than the Medicare-approved amount and may require payment at time of service. See page 15 for additional details.

Plan costs and responsibilities

We:

- Make the initial deposit of monies into your MSA bank account
- Pay 100% of Medicare-covered expenses incurred once you reach your deductible

You:

- Pay your monthly Medicare Part B premium (payment made to Medicare)
- Pay all health care costs until you reach your plan deductible. Use your MSA funds, out-of-pocket, or a combination of both
- Pay any non-Medicare-covered expenses after reaching your deductible

The major expense types and their impacts:

Medicare-covered Expenses

Count toward deductible:	YES
Taxed & penalized by IRS:	NO

Non-Medicare, IRS-Qualified Medical Expenses

Count toward deductible:	NO
Taxed & penalized by IRS:	NO

Non-qualified Expenses

Count toward deductible:	NO
Taxed & penalized by IRS:	YES

Refer to our Evidence of Coverage (EOC) document for more detailed information about Medicare-covered Expenses. See IRS Publication #502 for a detailed listing of Qualified Medical Expenses.

Some charges for services provided by providers not participating in or opting out of Medicare may not count toward your deductible. See page 15 for more information.

Tools to stay healthy

We're happy to bring you *For Your Health*, our special health engagement and rewards program.

Watch the mail for the *For Your Health* program kit, containing instructions and all the necessary forms to complete the activities and request your gift card rewards! Kits are mailed shortly after your plan effective date.

Earn up to **\$250** in gift cards

Three simple activities, three opportunities to earn money! Get rewarded to manage your health with our *For Your Health* incentive program.

Complete a health survey, earn a \$75 gift card

We'd like to get to know you better. Completing our short health survey helps us make tailored suggestions on how to keep you healthy.

Obtain lab tests, earn a \$75 gift card

Assessing your health starts with basic lab tests. Have your provider order lab tests and discuss the results with them.

Create a care plan, earn a \$100 gift card

A frank, yearly discussion with your health care provider to create an individualized care plan is an important step in staying healthy.

Frequently asked questions

I didn't spend all the money in my account. What happens to it at the end of the year?

The money is yours and stays in your account until you use it or move it. If you renew with Lasso Healthcare, we'll add the next year's deposit to your account, increasing your account balance.

Can I use the funds on health care for someone else, like my spouse?

MSA funds used on someone else's expenses, health care or otherwise, do not count toward the plan deductible and are subject to tax and additional penalties.

I paid for a service directly, instead of having the provider file a claim. What should I do?

Provide us with documentation of the service and your payment; instructions are available on our website or by calling our Member Services team (see page 2). We'll determine if the amount you paid was within the Medicare-approved amount, and apply the payment toward your deductible. If you've met your deductible, we'll reimburse you the Medicare-allowed amount. You can use your EOB to determine if you overpaid and can seek reimbursement from the provider.

What should I do? My provider said they don't accept Lasso Healthcare MSA insurance.

MSA plans are not as common as other Medicare plans, so it's understandable that some providers may not yet be aware of Lasso Healthcare MSA. They may call our Provider Services team for assistance; the phone number is on the back of your Member ID card and on our website.

Medicare-participating providers:

Required to see you if they are accepting new patients. The majority of providers fall into this category.

Medicare providers that are non-participating/not accepting assignment:

Not required to see you. Where allowed by state law, they may "balance bill" you up to a "limiting charge" that's above the Medicare-approved rates. This excess charge will not be reimbursed by us, nor will it count toward your plan deductible.

Providers opting-out of Medicare: Not required to see you, and it becomes a private contract between you and the provider if they do agree to see you. The service will not be reimbursed by us, nor will it count toward your plan deductible.

Can I deposit money into my MSA bank account?

No, current regulations prohibit you from adding funds to your MSA account. Only Lasso Healthcare can deposit money into your MSA account. However, you may combine funds from a previous MSA account of yours, if applicable.

Lasso Healthcare Insurance Company, established in 2018, is a growing Medicare-market health insurer based in Dallas, Texas. Our flagship product, Lasso Healthcare MSA (medical savings account) plan, launched to 17 states for Medicare Advantage coverage starting January 1, 2019. In an unprecedented second-year expansion, our 2020 MSA plan is available in 26 states, plus the District of Columbia. As a complementary product to the MSA, we introduced the Lasso Plus HIP (hospital indemnity plan) product in fall 2019. Additional geographic and product line expansions are planned in future years.
