Feeding instructions:

- **PLEASE MEASURE FOOD ACCURATELY so as to not run out. Please also pack extra in case of spills or extended time frames.**
- **Feed scoop must be included!**
- **DO NOT bring any cans that do not have pull tabs. If any canned food or treats require the use of a can opener, please open and transfer to a different container prior to arrival.**

1.) Brand of food: _____ Amount: _____

Frequency of feedings: **AM & PM** **AM only** **PM only** **At will**

2.) Separate at feeding (if sharing a den with a family member): **Yes** **No**

3.) Canned food, chicken, peanut butter, etc. if needed: **Yes** **No**

(If your pet is having a difficult time adjusting to you being away and refuses to eat, canned food can help create a more appealing meal)

Medication and/or supplement instructions:

- If your dog requires more than 2 supplements/medications per day, there is an additional \$5/day charge.
- Any medication or supplement in the form of a pill MUST BE individually packaged PER FEEDING. Example: If Lucy gets 2 pills in the morning and 2 pills in the evening, that will require 2 different containers or baggies marked with the date and time to be given (am or pm). Pill boxes are acceptable as well.
- ALL medication and supplements must come with the food with which it is to be given. Pill pockets, cheese, peanut butter, bread, etc. You must provide this!
- We CANNOT accommodate specific times for medication to be given. Typically AM medication is given between 8-8:30am and PM medication is given either between 4-5pm or 6:30-7:30pm.
- We WILL NOT manually administer pills to your pet. Please contact your veterinarian for boarding needs if your pet requires this.
