MAUNDER BEAUTY ACADEMY

OUR COURSES OF

2022

HOW ARE OUR COURSES DIFFERENT TO OTHER EDUCATION PROVIDERS?

At MBA, we believe that our approach to skincare shouldn't be 'one size fits all'.

Each client is different, and their requirements will be different, too.

That's why we teach you to deal with the whole client, not just the outer skin. We show you how to use your consultations to find out more about your client & their lifestyle, and how we can advise them to make changes to things such as their overall health and at-home skin routine, and not simply recommending our in-clinic treatments.

Most therapists will just do a treatment on a client, with no regard for their actual skin health, which can be detrimental to the condition of their skin. We believe that this is not the way to work.

And that is why we are different - we care about, and work with, the whole client, and we don't just sell treatments.

OPTIONAL COURSE KIT

When you train with MBA, we will always use and recommend professional products.

While it may be tempting to go for a cheaper option, it's always best to go for something which you know is legitimate, CE registered for safety and won't cause damage to your clients...or your reputation!

Your kit will be purchased and ready for you on your first course day. This means that as soon as you have completed your case studies with us and gained your certification, you will be able to get insurance and take paid bookings from day one.

We do understand that budget restrictions may apply, or you may have your eye on a different pro kit, so you can opt out of buying our kit, too - just let us know when you book whether you'd like to include it or not.

FULL KIT INCLUDES:

- Professional, clinical grade skincare for a full advanced facial.
- Product kit for basic luxury facials.
 - Dermaplaning kit for 30 clients.
 - Chemical Peel kit for 30 clients.
- Microneedling kit for 30 clients including professional device & mesotherapy serums.
- Disposables & other required equipment.

POTENTIAL KIT ROI:
£4500 - £9000+

**Please note that the kit we offer is at cost price. We do not take any profit from the sale of kits and are not affiliated in any way with 4T Medical or any of their brands. We recommend their products solely because we trust them as a brand.*

FAQS

ARE OUR COURSES SUITABLE FOR BEGINNERS?

Our beginner Facial Therapy course is the minimum pre-requisite for all of our advanced courses, but you can begin with that and move your way up through the other courses - or do our Advanced Facialist Package, which takes you through from beginner level to advanced therapist.

CAN I GET INSURANCE?

Yes! Following the course, you will be able to gain insurance through our accreditor BIAs insurance partners, who can be found on their website, or through ABT directly. Please always check with your insurer prior to booking that they will cover you for these courses.

WILL THERE BE OTHER STUDENTS?

No, the course is one to one, so you will get the full attention of your tutor. If you would like to train with someone else (a friend/colleague etc), we may be able to accommodate this, so don't hesitate to contact us.

WILL I BE ABLE TO MAKE MONEY AND BE SUCCESSFUL?

We can provide you with all the necessary tools and knowledge to be very successful, but the hard work to get there is totally up to you. The majority of our students are currently working for themselves, and have successful businesses. Many of them have been able to leave their day jobs as they have grown their businesses to a high level.
