

# Lot- Sodom and Gomorrah

## Genesis Chapter 19

Two Cherubs went into the city of Sodom and Lot was sitting at the gate. He rose up to meet them and invited them to his house. He made a feast for them and they ate.

In the evening, the men of Sodom were very evil and circled the house so they could know them for their pleasure. Lot went out to meet them and closed the door behind him. He offered his two daughters to them so they would not take the Cherubs. They did not want his daughters and pushed their way through the door of Lot's house and the Cherubs struck them with blindness. They struggled to find the door to leave the house.

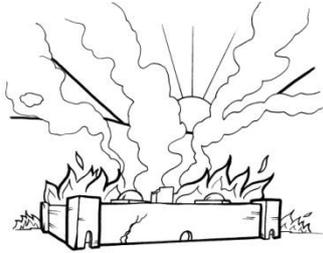

The Cherubs told Lot to take his wife and two daughters and leave the city immediately because Yahweh has sent them to destroy it. They told Lot and his family to escape for their lives and do not look behind them or they will be swept away also.

As soon as they left, Yahweh rained fire and brimstone on Sodom and Gomorrah. He overthrew the cities and all those living there were destroyed. Lot's wife looked back with pleasure from behind him, and she became a pillar of salt.
