

**IMPORTANT INFORMATION FOR AMERICAN EDUCATION FOUNDATION'S (AMEDF)
SESSION 2 PARTICIPANTS:**

Welcome to your session 2 individual conference. As a participant in AMEDF's ***"Everything You Need to Better Prepare for College"*** workshop, you will now meet with an instructor to discuss your financial aid eligibility and your student's profile for college admissions.

Your instructor is an independently contracted professional, and is not an employee of the AMEDF. Your instructor will be compensated directly for today's educational session by the AMEDF. Today's session usually lasts from 30 to 45 minutes.

Your instructor will also provide a packet of resources, materials, and programs that may be of interest to you. This packet will also contain materials about your instructor, and an evaluation form to be returned directly to the AMEDF for today's session.

Please take a few minutes to complete and return this evaluation form after your session. Your input will help us determine whether to continue funding for this program, as well as how we can improve it in the future. In addition, your packet contains information on opportunities for you to help improve higher education preparation in your community.

The information you provide in today's session will not be distributed or resold by the AMEDF. We will use this information only for internal purposes and in a statistical analysis in order to determine the demographics of participants in AMEDF programs. This is very important for the purposes of generating support and funding for our community education programs.
