***Vincor Awarded FY18 Southern California 8(a) Basic Ordering Agreement (BOA)
for San Diego, Los Angeles, Santa Ana, CA and Phoenix, AZ SBA Districts***

(Brea, CA) – **Vincor Construction, Inc. (Vincor)** has recently been awarded the Southern California and Arizona 8(a) Basic Ordering Agreement (BOA) for general construction under NAICS 236, 237, and 238 at various locations serviced by Naval Facilities Engineering Command (NAVFAC) Southwest in four Small Business Administration (SBA) districts – San Diego, Los Angeles, Santa Ana, CA and Phoenix, AZ.

“We are pleased to have established our position within the construction industry and look forward to continued growth as we expand into new and exciting markets,” said Vincent Cortes, President. “Vincor will push the envelope in delivering industry-leading performance across the entire life cycle for our clients’ most complex and challenging requirements.”

Performance under this written instrument will begin in October 2017 for an initial 12-month base period with up to four (4), 12-month option periods. The total value of work to be ordered by NAVFAC Southwest under this BOA shall not exceed \$4,000,000 per year. Orders covered will include, but are not limited to: design; construction activities; management; and skilled labor services in response to a variety of routine and emergency calls for repairs and construction projects accomplished within government facilities.

About Vincor Construction, Inc.

Since our inception, Vincor has successfully completed hundreds of construction projects in support of Federal/State/Local Governments, Municipalities, Healthcare, Higher Learning, and Private Industries. As a full service general contractor, we have demonstrated our ability to be an integral part of the Owner/Architect/Contractor team by providing innovative turn-key solutions, on-site project supervision, self-performance, coordination, safety adherence, and quality and cost controls. Our superb reputation is built on integrity and our strong commitment to excellence in the workplace. An **SBA 8(a) Certified, Minority-Owned, Small Disadvantaged Business**, Vincor is organized into client-focused divisions, each with its own multi-disciplined team of quality subcontractors, engineers, planners, and technical support personnel.
