SCRIP

SCRIP is an easy way to get discounts on tuition! I have saved over \$400 each year on my son's tuition simply by ordering gas and grocery gift cards. You get 4% of the total amount applied to your tuition bill. I place an order at the beginning of each month for what I estimate we will spend. Sometimes I run short and may order additional gift cards, or I might decide to pick one up as a gift, as well.

Some cards are kept in the church office for purchase. Otherwise you can order through the Raise Right App on your smartphone, using enrollment code 6898L53F1727L. There are many gift cards available through the App that can be shipped to your home for just \$1.00, and there is also an option for electronic gift cards.

I like to use this for online shopping.

Please reach out to me if you need help or have questions!

Val Johnson 715-225-8105 or val.johnsonsark@gmail.com.

Happy Shopping AND Saving!

Korean Exchange Families Wanted

Would you be interested in hosting a student from Korea? This winter there is an opportunity for students in grades 6-10.

Korean students will arrive on December 30 and they will start their classes on January 3rd. Students will return to Korea on February 26. Students in grades 6-8 will attend Christ Lutheran School. We have had exchange students in the past through this program attend CLS and both the school and families learn so much about the Korean culture while getting to know a wonderful child.

Granton United Methodist Church is looking for homes to host Korean students. Host families will be given a cash stipend to offset fees.

If you are interested in this program, contact Rev. Dong Su Lee. Dong Su can be contacted at dongsulee1211@gmail.com.
