### Money, So They Say...

So much of our trauma around money is based in myths and old, stinkin' thinkin', and false beliefs. Let's apply Everyday Wonder and compassionate curiosity to those beliefs and set ourselves free!

## **Announcement from Interfaith Council**

**Again, the world is coming to St. George on October 28th & 29th...and there's still a dire need for hundreds of volunteers to help—both days. This is the second time the Ironman 70.3 world championship will be held here. A huge number of shifts and jobs still need to be filled—at the start of the race at Sand Hollow Reservoir, all the way through to the finish line at Town Square. This is a great way to offer service in the community, especially when there's such a great need. **You can sign up online on the St. George Ironman 70.3 website...or contact Colby Neilson directly.****
