Pastoral Letter

As I flashed back over previous years, July and August were slow and easy months in our congregation. It was because many of our church members enjoyed their summer vacation during both months, so that our sanctuary used to have more space than other months. When we had the first Drive-In/Online Worship and continued over the following weeks, about two thirds of the congregation joined either Drive-In or Online Worship, but we had an easy and slow season again during the past months. Now, it is time to revitalize our enthusiasm for worship. Due to the pandemic, we must have Drive-In/Online Worship. No matter what form worship takes, the key is to worship God in (physical/virtual) church as a community of faith. Today is the second Sunday, which means a time for regathering. Please be enthusiastic to spend much time together in the church.
