Welcome Back!!!

We are beyond excited to welcome all of our dancers back to the OSDPA studios!! As we begin this new dance season we would like to bring to your attention a few changes at OSDPA. First, we have painted the studios, installed new ballet barres, as well as brand new Marley flooring. To maintain the new flooring, street shoes should be removed before entering the studios.

Also, you will notice a new studio space was created which will be occupied by our new music partner. Soundwave Music Therapy provides individual and group lessons for instruments, singing, songwriting, and more. Visit <https://soundwavemusictherapy.com> for more information.
