Last Week's Run Report

Hare; Doggy Doo.

Location; Beasley Reserve, LEEMING

Doggy Doos Beasley Park Bash

We have become used to Doggy's run from Beasley Park but he always manages to make it different & interesting.

He promised us.. No Hills...Tick, Walkers Trail...Tick, Drink stop...Tick, and delivered on all counts. Well Done.

He was rewarded with scores above 9. and most arrived home at about the same time... Tick.

On with the circle right outside the men's toilet clearly visible in nearly every photo, but I believe it was more pleasant on the nose than standing by the open window !!! (message to self) should inform council.

R.A was in fine fettle tonite with charges from Herself & the pack, handed out to B.J. Spackle, Bell Boy, G.P.S, D.Cell & 15 Me Nuts(jointly) Thesorearse, Pink Bits & if I had known I was doing this write -up, I would know what they were for.

Hellvino has reclaimed the use of her injured foot. Good to see.

Dirty Deeds actually had Hash gear on & was duly rewarded, along with AC/DC, in High Vis & no Hash Gear. To even up the difficulty of her Down Down from the "Triple Tipple", which has just surfaced again, B.J. was put on the other end.

She managed to get most of the drink down the **inside** of her throat and didn't waste any.

Ah Sup had his usual True Story & Cookie had a joke.

All ended up with Chicken and yummy salads courtesy of Whoreda.
