CTS T-shirts

It's been a while since we've had CTS T-shirts available to purchase.

The Executive has worked on "tweaking" our old logo, and finding a company that can put that logo on a variety of items.

We've arranged with Mark's in Chilliwack to work with us.

To start we will place a group order. We will offer two shirts styles - polo and crew neck - and two colours (blue and black).

All are performance polyester jersey with wicking technology.

We hope to have a few samples and additional details available to see/try on at our Spring Potluck.

After that, our logo will remain on file at Mark's, and people will be able to order their own things at any time.

This will not be limited to clothing - they have a great selection of almost EVERYTHING!

As we're a non-profit community organization, Mark's is giving us a discount on the products.

Stay tuned for sizing, pricing and ordering details.

Indoor Tennis

Fall-Winter tennis is almost over - the 6 months has flown by!

Thank you to everyone for playing, for welcoming new members, and keeping tennis going in our community.

A special thanks to all those people who spare - we had about 245 "Spare Days" this season. Without those people playing, our sessions would not have run nearly so well!

Indoor tennis is not quite over. Our mini Spring Season begins April 3 and ends June 1. This year we've again reduced the sessions to Monday evenings (7), Tuesday mornings, (8) and Thursday mornings (7).

Summer TOURNAMENTS
