DESCRIPTION

Planet Pet & Aquarium had aged shop fittings and animal enclosure and were to undertake fit out to bring a new look to their business.

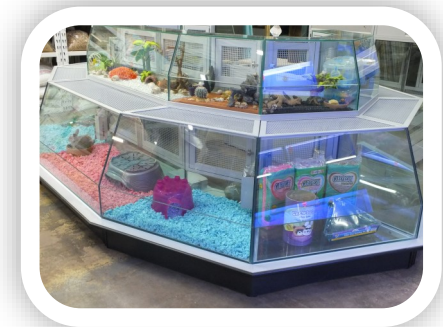

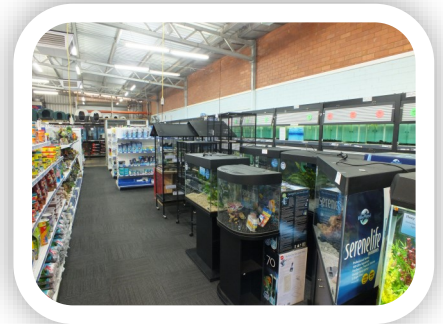

ReliaBlee were engaged to provide a concept design, source and procure new fitting that meet the latest industry standards and manage the installation.

The scope of works included:

- ⇒ Sourcing various fittings to propose options for approval.
- ⇒ Project management the works without effecting trading hours of the business.
- ⇒ Manage the project cost and schedule.
- ⇒ Supply all resources, materials and fitting for the works.

HIGHLIGHTS

- ⇒ ReliaBlee liaised with international suppliers and were the first company in Australia to bring the product line in.
- ⇒ Proposed design provided more display area within the current foot print.
- ⇒ The business had a new look and brought more cliental in.
