

## Room Specifications

The Sheridan Room:

- a) provides catering for events as required either through a registered catering kitchen or off-site commercial kitchen;
- b) has a 4 x 6m stage/dance floor, portable stage risers, 4m theatre backdrop curtains, a large venue projector with 4m motorised projection screen, Yamaha G5 grand piano and CP4 digital stage piano, modern LED stage lighting with LSC controller and a stereo column sound system with radio microphones; and
- c) is designed to support disabled persons with access and egress via a purpose built ramp as well as wheelchair and ambulant toilet facilities (unsuitable for motorised wheelchairs because of safety considerations).
