The sisters of **Laureate Phi** would find it of extreme good fortune if you allow us the honour of entertaining you at a mid winter afternoon time away from our busy lives. An afternoon to celebrate the philosophy of our Sisterhood – Life, Learning and Friendship - with you – using the theme of the Chinese New Year!

We are inviting women who are important to a member or members of our chapter by relation, friendship or association.

This is our gift to you. We would be most humbled if you would accept!

The underlying focus of our sorority is to provide women an opportunity to embrace and create a life balanced with Social, Cultural and Service. The 15 day Chinese New Year celebration (which begins Jan. 26<sup>th</sup> in 2009) provides us a wonderful theme to learn and have fun at the same time You will have the opportunity to:
