Holding a puppy INFORMATION

Please print out this page, apply your signature at the bottom, and send it to us when mailing your deposit.

To place a hold on a puppy from one of our litters, we require **\$150.00 (one hundred and fifty dollars)** . Initial holding contract can be sent in the form of a personal check if puppy is under 7 weeks old. Should the check not clear, you will immediately lose you place in line for a puppy, you can also send a postal money order, paypal (add 3 ½ percent to total for PayPal fee), Venmo, or cash. It is recommended that you send your contract fee in some manner where you can track it - either through the post office with overnight, 2nd day or 3-day priority mail service with delivery confirmation, or through Fed Ex, UPS or Airborne Express. The sooner we receive your hold contract, the sooner the puppy is held permanently in your name.

WE WILL NOT, FOR ANY REASON, HOLD A PUPPY WITHOUT PYMENT AND HOLD CONTRACT.

Fees sent to hold a puppy are **NON-REFUNDABLE**... *unless* we are unable to provide you with a puppy at all. Should a fee be sent, and we place a puppy on hold for you for longer than 3 days, and you decide to back out of the sale for any reason, the fee would be non-refundable. However, this deposit can be applied toward the purchase of another puppy from another litter should you decide to do so within 12 months of when the fee and contract was initially received by us. Should we end up not having a puppy available for you, we'll either refund your fee, or give you the option of applying it toward a puppy from another litter.

All pups are required to be paid in full (as well as shipping costs) 7 (seven) days before becoming 8 weeks old if shipping. This is to give us ample time to prepare for the flight and to purchase a crate (if being shipped), to go to the vet and get a health check and certificate and this also allows time for finalization of payment and puppy maintenance contracts. **Note that shipping costs include airfare, crate and health certificate. This is \$350.00 to 750.00 (depending on shipping method), that is an additional cost beyond the price of the puppy. Additional costs by other means of shipping is added to the fee. Extra fees may be added if the air flight travel has an extended lay over, which is out of control by the breeder.**

Personal checks cannot be accepted for the final payment on a puppy. All final payments must be made either in person in cash, through PayPal (3 ½ percent fee added by PayPal use), Venmo, or post office issued money

orders. We will not release, ship or send any puppy until all funds have cleared.

We do not accept any credit cards. This is not something reputable breeders typically accept.
