

E-collar/Off Leash Training

This class is geared towards those who want to gain the upmost control over their dogs in off leash and highly distracting environments. We will introduce e-collars to dogs in a safe, positive manner and owners will learn how to properly utilize this beneficial training device to maximize off leash control. Dogs MUST be graduates of CGC level one or Family Dog level one, and Family Dog level 2.

Date: Tuesday June 4th, at 6pm

Format: 5 weeks, one hour each week

Location: Will vary. First class will be held at Library park

Cost: \$150

Equipment required: E-collars used in class must be either Dogtra or E-collar technologies brands. (NO Sportdog E-collars!). Please ask Sami if you have any questions on which collar to purchase. Collars must be purchased prior to the start of classes and brought to the first class.
