On the Lawn at Castillo de San Marcos
1 South Castillo Drive, St Augustine, 32084

HELP END GUN VIOLENCE!

March for Our Lives is sponsoring hundreds of rallies to end gun violence all across the nation on Saturday June 11th. Join us in St. Augustine!

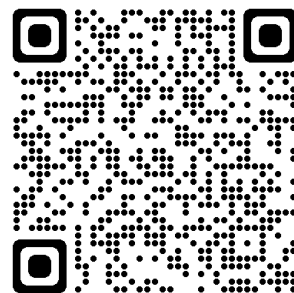

The number 1 killer of children in this country is gun violence.

Since 2004 when the assault weapons ban expired, the U.S. has seen mass shootings skyrocket out of control. In just the first six months of 2022, Americans have suffered at least 4 mass shootings a week!

Gun safety should be a top policy priority.

Come and be part of the call for change!

Guest speakers include students, teachers, and community leaders.
