OVERVIEW

Lipo-Trim SL is a concentrated, sublingual combination of amino acids and B vitamins in a proprietary blend of *African Mango Extract*, *Green Coffee Bean Extract*, and *Raspberry Ketone Extract*, that can help the body convert fat into energy. Because it's a sublingual spray, absorption is more efficient than taking oral vitamins which lose potency as they pass through the body's digestive system. It's ideal for:

- ✓ Patient's who also receive vitamin injections on a weekly basis
- ✓ Daily use in between injections
- ✓ Patients who travel
- ✓ Those with an aversion to needles
