CANCER BURDEN IDAHO 2018

Cancer has been a leading cause of death in Idaho since 2008.

Idahoans were diagnosed with cancer in 2016

The Comprehensive **Cancer Alliance for Idaho**

(CCAI) is comprised of organizations and individuals working to address the continuum of cancer care and to advance priorities within Idaho's Comprehensive Cancer Plan.

Idaho Goals

- · Decrease the incidence of preventable cancers
- Decrease preventable cancer deaths
- Improve the quality of life for people in Idaho affected by cancer

Call to Action

- Join CCAI or local cancer coalition
- Use the Idaho **Comprehensive Cancer** Strategic Plan to inform your work and align with 2020 goals
- Use evidence-based strategies when working across the cancer continuum
- Know the facts about cancer in Idaho
