

2019 CHESSIE K,1,2A,2B,3,4A,4B
Oceanography Science & Art Contest

Contest for students in grades K,1,2A,2B,3,4A,4B

Students have an optional opportunity to participate in the

CHESSIE 2019 Oceanography Science & Art Contest!

All participants receive a prize and an award certificate. Larger prizes will be given for the 4 categories below.

Pick one animal you really like and create a painting or drawing to show the animal in its ocean environment. You can draw the animal that you gave a report on, or choose a different one.

On the back of your artwork, tell:

- ☐ 1) Why you like this animal
- ☐ 2) Why you think it should be protected
- ☐ 3) Why you think it is threatened
- ☐ 4) Suggest one specific step people can take to protect it

Prizes will be awarded in the following categories:

- ☐ Most thoughtful answers to the four questions
- ☐ Best Detail on your animal in its ocean environment
- ☐ Most creative
- ☐ Best overall (drawing and answer to the questions)

Students should use an 8 ½ by 11" piece of plain white paper for their drawing. Student names need to be on the back of the drawing (not the front). Include the answers to the 4 questions on the back of the drawing. Drawings may be turned in to Mrs. Pierson through Dec 5th.

They will be judged and prizes awarded on Dec 12th.
