

Bishop-elect (Mrs) Tinuola Olaofe

Reverend (Mrs.) Tinuola Olaofe, the Bishop's wife and the co-pastor of the Household of faith for all nations, is an admirable woman of God, with so much grace in the area of relationships and parenting. She is naturally gifted to take care of children of all ages.

Reverend (Mrs.) Tinuola grew up in a Christian home. Her grandfather was a Baptist Reverend. This helped in molding her into a woman of great Christian virtue and character. From her early years, she believed that someday she would be in the ministry; especially because of a peculiar spiritual encounter she had as a child, coupled with the word of prophecy given to her by one of her Elder brother's friend, a pastor who came visiting at their residence. He was led of God to pray and prophesy for her, and he revealed by the unction of the Holy Spirit, that she would someday be a minister of the gospel and she would also be married to a minister of the gospel. This has surely come to pass.

Beloved Reverend (Mrs.) Tinuola is a woman given to much prayer; based on her belief in the power of answered prayers. Her prayer life has endeared her to the word of God, enabling her to be a teacher and preacher of the word. Her love for the Lord and compassion toward others have been the catalyst of the healing gift of the Spirit, which is manifested in her ministry with diverse testimonies confirming this grace. Reverend (Mrs.) Tinuola Olaofe, a graduate of Library/Information Science with Sociology, together with her husband is blessed with two adorable children Deborah and David.
