

BATC Meeting Minutes

June 26, 2014

Start: 7:00 pm

End: 7:35 pm

Treasury total: \$4200.00

Larry Steed started the meeting off with the question of anyone getting the mystery item on the website? No one responded, but the answer was an Allis Chambers.

Next on the agenda was a mentioning of doing another “Hemi Hideaway” type of event in the future. There is another collection in Magnolia, Texas. Would be \$10.00 per person to attend; considered a donation. Possible time frame would be in September. More information/details to come.

Corwin posted a link to the photos he took at the Hemi Hideaway on the website. If you encountered any issues clicking on the link; please contact Corwin.

Fourth of July parades:

- Majority of the club members are doing the Friendswood parade
- Have plenty of open spaces
- Liverpool and Baytown also held parades

Labor Day Event in Alvin – August 30, 2014

- Changes to where we will set up and park
- We will line up the tractors on the “black top” road; may have to do two rows
- Parking of the trailers and vehicles will be behind the New Hope Church
- Parade will be done just like last year with an escort and starts at 10:00 am
- Awards will be given for displaying of tractors

An issue was brought up about children climbing on the tractors.

- Parents are not watching their children
- Need to post signs
- Rope off machines
- Remove all keys, etc. so children do not have access to starting any machine/tractor

Willy suggested that someone should head up games at these events.

- All ideas and suggestions are welcomed

Action to Chris Gonzales – bring the safety cart to this event

The Wallis Tractor Show

- Several of the club members placed 2nd or 3rd in their tractor’s category

Suggestion by Lou; have a tractor ride in the area sometime in the future.
