Federal Abstract Company Launches New Website

Federal Abstract Company has launched a new website designed to provide a user-friendly experience that allows clients to access detailed service information and place orders easily.

Federal Abstract Company has been in operation for 54 years providing vital information on State Trust Lands in New Mexico and Federal and Indian lands in New Mexico, Texas, Oklahoma and Kansas.

Our wide variety of services include: Abstracts of Title, Supplemental Abstracts, Exhibit Bs (Take-Off or Run Sheet), Bidding and Brokerage Services, Lease and Instrument Copies and UCC Services.

Plus, our office holds records of oil and gas leases and Miscellaneous Instruments for the state of New Mexico that are unmatched. The Blue Books are a record of every Miscellaneous Instrument pertaining to any given lease - something you won't find at the State Land Office. The Black Books are a regularly-updated index of leases on New Mexico State Trust Lands. Call for pricing for access to these research tools, as well as our copier, fax, and other office equipment. You will be provided with a comfortable place to work and our friendly staff will be on hand to answer questions or help in any way.
