THE BRIGHT SPOT: There is no elevator to success. You have to take the stairs.

STUDENT OF THE WEEK: **EMMA SNYDER (GRADE 5)**

- FAVORITE SCHOOL LUNCH:** Pizza
- BEST GIFT EVER RECEIVED:** A Toy Dog
- WHAT MAKES A GOOD FRIEND:** Being Nice and Kind
- IF I RAN THE SCHOOL:** I Wouldn't Have School on Mondays

I am proud to nominate Emma Snyder as Hudson's Student of the Week! Emma does a great job staying organized and asks questions when she needs help. She is very friendly to her classmates and uses her manners. I also appreciate her for always trying her best! Congratulations, Emma! – Mrs. Foster

BELLS & WHISTLES to Miss Stacie and the students for the great performance and tribute to the 20th anniversary of 9/11. - Mrs. Warmbrodt

Preschool: Hello, October! The weather is constantly changing. Please make sure you are prepared with layers. This month is packed with fun activities! Please make sure you watch the newsletter and the Remind app. for details. On Friday, October 15th, we are planning on attending Food for America at the Appleton City High School. We will be riding the bus to town. Please let me know as soon as possible, if you would like to go with us! We plan to go to the park once we are finished at Food for America, so we can play and have a snack. This week we will talk about the letter "B" and make Bats! Have a great first, full week of October! -Miss Stacie

Kind: This week we are transitioning our focus from Seasons to Transportation. Our vocab words are traffic, crawls, wind, island, and neighborhood. We will continue with adding to our sight words. Please make sure you are reviewing these with your child each day, as these are important pre-reading words. We will focus on /r/ and /m/ this week in phonics. Hope you have a great week! - Mrs. Stewart

1st/2nd: This week first grade will continue working on handwriting with the letter T and ending punctuation marks. This will also be the first week first grade will have spelling words with a spelling test on Friday. Spelling lists will be in their folders weekly. There will be a math test on Tuesday. Students will have addition flashcards coming home that need to be practiced regularly. Second grade will be finishing their science unit and will have a test on Friday. Study guides should go home on Wednesday. They will have a math test on Friday, as well. A friendly reminder that AR tests are due Friday. Those not completed will stay in from recess to read. Please encourage your child to read those books!

3rd/4th: We finished Stanford testing last week. This week, we are going to go back and review chapter three in Science and week 4 in our Missouri Studies Weekly. With the end of first quarter approaching, our first AR goal is due Friday, October 8th. Students who don't have their goals met by Monday, October 11th, will stay in from recess to read for their goal. If you have any questions, please let me know. - Mrs. Cooper

5th/6th: In Science, 5th graders will be looking at parts of cells and will have a quiz over them on Friday. 6th graders will be looking at property changes in matter. In Reading, students will be looking at some background information about our new Lit. Circle book. In Social Studies, 5th grade will be getting ready to test next week over Ch. 1 L. 1 & 2 and 6th grade will be looking at Native Americans. **7th/8th Grade Comm. Arts:** Students will be starting a new Lit. Circle this week. Don't forget-1st Quarter AR book requirements are due Friday, Oct. 15th. Have a wonderful week! -Mrs. Foster

5/6 Math: In fifth grade, students are continuing with the nature of fractions and looking at the steps of the division algorithm. In sixth grade, students are working on operations with fractions and vocabulary related to circles.

Math Vocabulary Test for grades 5-8 on Thursday

7/8: In math, seventh graders are working on mixed number operations and factors and multiples strategies with larger numbers. Pre-Algebra students are working on more complex evaluations involving order of operations and the nature of equations. In algebra, we are working on doing exponential expressions and the rules that go with multiplying them and the nature of equations. **Tests This Week:** 7/8 Social Studies: Tuesday (rescheduled from Thursday), 7th Math: Tuesday -Mr. Ewing

MUSIC: GREAT JOB! I am proud of you for singing so loudly! – Miss Stacie

CHARACTER ED: K-2 talked about our new word **responsibility**. We learned that an important part of being responsible is being a good listener. We did a listening activity for October. The students had to follow directions like “circle the cat” and “color the tree trunk brown.” It was a fun way to learn about listening. – Miss Stacie

PTO: We are currently looking to fill a PTO officer slot. Please let Stacie Flagg know, if you are interested. Dues are to be paid by November in the amount of \$5.00. We will send out envelopes this Wednesday for dues. Thank you for your support!

Please remember to turn in your **Food Fair receipts** and **Best Choice labels**. We earn money when we submit them. Use the **Box Tops app** to scan your receipts, so Hudson can earn money for items that count in this program.

School Store is a safe and easy way for us to raise funds for school use. Students can earn prizes too. **School Store** is 100% online so there is no face-to-face selling, handling money, or delivering products. To participate, send form emails inviting family, friends and co-workers to support your child. Return the envelope with the Student Prize Code to school for your child to get their fun participation prize. More prizes will be awarded when goals are reached. **There is no deadline. It will last all year.**

PASSIVE FUND RAISER: Did you know that anytime you place an order on Amazon.com you have an opportunity to raise money for our school through the Amazon Smile program?

1. Go to smile.amazon.com.
2. Log in with your Amazon username and password.
3. Search “Hudson R-9” to select us for your charity of choice.
4. Continue shopping on Amazon like you always do! A portion of any eligible purchases will go to your chosen charity each time you shop.

Participation in this program is free. There is no change to your Amazon shopping experience or what you can browse or purchase. Anyone can do it, so please encourage family and friends to participate. Anytime you shop on this site you can help our school!

October 2021

Daily Learning Planner: Ideas Families Can Use to Help Children Prepare for School—Try a New Idea Every Day!

- 1. Look at a school bus with your child. How is it different from a car?
- 2. Watch a show together. Talk about what was *real* and what was *pretend* in the program.
- 3. Have your child use some blocks and empty boxes to build a city.
- 4. Remind your child of safety rules for car trips, such as wearing a seat belt and keeping arms inside the car.
- 5. Ask your child, "What would you do if you were the parent for a day?"
- 6. Put pebbles or other small items in a jar. Ask your child to guess how many there are. Count them together.
- 7. Ask your child to draw a picture for a loved one.
- 8. With your child, smell different things and describe their scents.
- 9. Help your child rake some leaves onto a sheet. Lift the sheet up quickly and then slowly. Watch the different ways the leaves float.
- 10. "I'd love to!" Use these words when your child asks you to play, read or do a puzzle with her.
- 11. Create a special place in your home to store library books. Refresh your selection often.
- 12. Make a time line of your child's day. Let him illustrate it with drawings or magazine cutouts.
- 13. Talk with your child about happy and sad feelings. What things can cause each kind of feeling?
- 14. Line up chairs like a train. Ask your child to sit *ahead* of them, *behind* them, *beside* them and *on* them.
- 15. Help your child practice tying shoelaces.
- 16. Use three words that are new to your child at the dinner table tonight.
- 17. Read the comics to your child. Preschoolers especially love the ones with sound words like *thunk!*
- 18. Go outside and blow bubbles. See if your child can catch one without breaking it.
- 19. At snack time, have your child alternate celery and carrot sticks to make a pattern.
- 20. Make sure your child knows her street address. Go outside and look at the house or building number together.
- 21. Set out different sized pots and their lids. Ask your child to put the lids on the matching pots.
- 22. Stand facing your child. Have him pretend to be a mirror and imitate all your movements. Then trade places.
- 23. Pick a color. As a family, wear, eat and look for items of that color today.
- 24. Read three poems with your child today.
- 25. Help your child practice following directions. Say, for example, "Take some socks off this laundry pile and make a smaller pile."
- 26. Create a book about your child. Help her make handprints and footprints on paper with paint.
- 27. Ask your child to close his eyes and describe the sounds he hears.
- 28. Show your child a picture of a rainbow. Can she name the colors?
- 29. Have a counting day. Count stairs as you climb them, cars as they pass, stars as you spot them.
- 30. Practice making opposite statements. You say, "The chair is *inside*." Your child says, "The chair is *outside*."
- 31. Record your child talking about an important event in his life.
