EMERGENCY AUTHORIZATION State law requires that we have written authorization from a child's legal guardian to seek medical help in the event of a medical emergency. Signing the statement at the bottom of this letter will provide us with that authorization.

Our policy, in the event of a medical emergency is to contact you first. If we can't contact you, we will try to contact any others you may designate. If we are unable to

contact you or your designated representative(s), or if the medical emergency warrants immediate response, we will act, on your behalf and in the best interest of the child.
