JORDAN ENTRY FORM

Hello - Those flying to Jordan need to complete the entry form at https://www.visitjordan.gov.jo I suggest you do this from a computer (not all features worked from my phone) and have your vaccine card ready to upload.
Find your flight information in the email I forwarded to you with your flights. You will need to save the QR code RJ will send you after completion, both to your phone and print it. You are arriving to Queen Alia International Airport. My form is attached (2nd attachment) as a sample of what you need to have.

There may also be a necessary Health questionnaire which you will likely fill out upon arrival.

Sample of what you will receive and need to have available:
